

Advanced Sex Offender Specialist Interview Course

Presenter: Joe Sullivan, PhD of Mentor Forensic Services, Inc.

This advanced comprehensive specialist interviewing course has been specifically designed examining the use of projected personality profiling in creating customized interviews. The course will explore the use of incremental questions in customized interview strategy, introduce the concept of incremental questions and provide opportunities to build upon the experience of using s-bat tools. **This course has a prerequisite; you must have completed Basic Sex Offender Specialist Interview Course.** This training is reserved for professionals who work in this arena (law enforcement, probation, social workers). We reserve the right to deny participation to any registrant who does not meet that criteria.

April 30—May 2

Monday-Wednesday 8:00am-4:00pm

At The Westin Annapolis

100 Westgate Circle Annapolis, MD 21401— Class size limited to 40 registrants.

Dr. Sullivan is a Registered Forensic Psychologist (Health Professions Council) . He holds a PhD in Forensic Psychology, a Masters Degree in Criminology, a Post-Graduate Diploma in Psychology, a Bachelor of Arts Degree in Applied Social Sciences and a Certificate of Qualification in Social Work. Dr. Sullivan is an honorary lecturer in Forensic Psychology at the University of Birmingham, UK. For the past 20 years, Dr. Sullivan has worked with police officers, social workers, probation officers, faith groups and educationalists to provide insights into the motivations, thoughts and behaviors of child sex offenders. Dr Sullivan has worked extensively in law enforcement since 1996, assisting UK and European police forces with investigations into the sexually motivated abduction, murder and assault of children.

Cancellations: If you register for the course and cannot attend, you must notify of your cancellation via email. The deadline to cancel is April 15, 2018. You can substitute another attendee in place of your registration, but there will be no refunds after that date. Prior to April 15, 2018, refunds minus a \$25 fee will be provided.

Just looking?': Evaluating Risk in Online Behavior Course

Presenter: Joe Sullivan, PhD of Mentor Forensic Services, Inc.

The course teaches participants to:

Understand the potential applications of behavior analysis in working with offenders who use technology to facilitate offending

Identify the key issues in 'image based child sexual exploitation

Use behavior analysis tools in analyzing evidence in child sexual exploitation cases

Identify the key risk factors in cases involving indecent images of children

Understand how women use technology and internet to facilitate the sexual exploitation of children

Recognize 'chat based child exploitation and online grooming behaviors

There is no prerequisite for this course. This training is reserved for professionals who work in this arena (law enforcement, probation, social workers). We reserve the right to deny participation to any registrant who does not meet that criteria.
